

TEAM FORMATION PRIMER

- Data (number of registered players, assessment values) will determine the number of teams at which levels will be formed
- U11 teams will be formed based on geographic location where possible (Cordova Bay and Gordon Head)
- U12 teams may be formed based on geographic location if numbers allow
- U13 teams will be formed with full geographic integration between the Cordova Bay and Gordon Head players
- U13 – U18 teams - if more than 1 team is formed at an age/gender/level then balanced teams will be built
